

Satellite symposium

Moving towards sustainable cancer care: Reducing inefficiencies, improving outcomes

Up to 20% of spending is currently estimated to be wasted on ineffective interventions¹

Join us to discuss how we can ensure our resources are allocated towards improving outcomes for cancer patients

Date: Sunday 29th January 2017

Time: 18:45–19:50 Satellite symposium
19:50–20:15 Networking reception

Location:
Room Blackburn, Amtrium Building

Space is limited

Speakers include:

Matti Aapro Clinique de Genolier, Switzerland

Kathy Oliver The International Brain Tumour Alliance

Jason Arora International Consortium for Health Outcomes Measurement (ICHOM)

All.Can was set up to engage policymakers on the need to improve the efficiency of cancer care, focusing on better outcomes for patients.
